Re: *United States v. Amanda Hon*
Case No.: 22 CR. 60(HG)

Dear Judge Gonzales:

As the attorney for Amanda Hon, I write to request a two-week extension of time for my client to commence her sentence of home-confinement. Currently, she is scheduled to begin serving her sentence on December 2, 2024; however, she is completing a community service project and is seeking a brief extension until December 16th.

The Government takes no position on this request.

Respectfully submitted,

James O. Druker, Esq.
